

# BALD EAGLE

## Coloring Page

The Bald Eagle is the national bird of the United States. The Bald Eagle is not bald. Their heads are covered in white feathers. The Bald Eagle's body is a dark brown. Bald Eagles were once endangered however now they flourish because they are protected. Bald Eagles usually can be found around a body of water, whether river, lake or reservoir. Bald Eagles usually soar through the sky alone. As winter comes they gather in groups sometimes known as soars.
