

GREAT HORNED OWL

Coloring Page

The Great Horned Owl is the most recognized owl with its deep hooting sound. The Great Horned Owl is found throughout the United States, Canada and Mexico. The Great Horned Owl is powerful and can eat other birds, mammals, mice and frogs. These owls can even eat an animal bigger than itself. The Great Horned Owl is covered in soft feathers that keep it warm. The Great Horned Owl also has great night vision.
